We foster a culture of collaboration for excellence, our teachers are very well trained in early childhood education and development, we have a rigorous hiring and screening process which ensures that we absorb bright, professional talent from any walk of life, thus offering a fulfilling career in montessori education and care.

Our target is to provide an atmosphere that supports the growth of young children & foster the social, emotional and cognitive development in them. We foster a positive attitude for learning so as to help each child to reach his/her potential independently. We encourage children to become responsible and moral citizens with a strong sense of self discipline.

Rungta Play School has award winning preparatory schooling system, it has been minutely crafted keeping safety, security, health and happiness of children as top priority. We actively engage parents to ensure that their children have the very best learning. We offer support services for parents which include sessions on child psychology, best practices for early years education etc.From our end, we've created a culture of proficiency and distinction that puts the child as our centre of universe.
